BEFORE THE
TEXAS ETHICS COMMISSION
SC-2612262

ORDER and AGREED RESOLUTION

I. Recitals

The Texas Ethics Commission (the commission) met on December 11, 2007, to consider sworn complaint SC-2612262. A quorum of the commission was present. The commission determined that there is credible evidence of violations of section 254.031(a)(3) of the Election Code and section 20.61 of the Ethics Commission Rules, laws administered and enforced by the commission. To resolve and settle this complaint without further proceedings, the commission proposes this resolution to the respondent.

II. Allegations

The complaint alleges that the respondent improperly reported political expenditures as reimbursements in campaign finance reports.

III. Facts Supported by Credible Evidence

Credible evidence available to the commission supports the following findings of fact:

1. The respondent is a state senator.
2. The allegations are based on the respondent's January 2006 semiannual report, 30-day and 8-day pre-election reports for the March 7, 2006, primary election, July 2006 semiannual report, and 30-day and 8-day pre-election reports for the November 7, 2006, general election.
3. The respondent reported approximately \$73,500 of political expenditures as reimbursements without disclosing the full name and address of the vendors of the goods and services purchased, the description of the categories of goods or services received in exchange for the expenditure, or the purpose of the expenditures.
4. The respondent filed corrected reports disclosing the required information.

IV. Findings and Conclusions of Law

The facts described in Section III support the following findings and conclusions of law:

1. Each campaign finance report must include the amount of political expenditures that in the aggregate exceed \$50 made to a single payee during the reporting period, the full name and address of the persons to whom the expenditures are made, and the dates and purposes of the expenditures. ELEC. CODE § 254.031(a)(3).
2. The report of a political expenditure for goods or services must describe the categories of goods or services received in exchange for the expenditure. Ethics Commission Rules § 20.61.
3. There is credible evidence that the respondent failed to disclose the required information for political expenditures (totaling approximately \$73,500) on multiple campaign finance reports. Therefore, there is credible evidence that the respondent violated section 254.031(a)(3) of the Election Code and Ethics Commission Rule § 20.61.

V. Representations and Agreement by Respondent

By signing this order and agreed resolution and returning it to the commission:

1. The respondent neither admits nor denies the facts described under Section III or the commission's findings and conclusions of law described under Section IV, and consents to the entry of this order and agreed resolution solely for the purpose of resolving this sworn complaint.
2. The respondent consents to this order and agreed resolution and waives any right to further proceedings in this matter.
3. The respondent acknowledges that a campaign finance report must include the amount of political expenditures that in the aggregate exceed \$50 made to a single payee during the reporting period, the full name and address of the persons to whom the expenditures are made, and the dates and purposes of the expenditures. The respondent also acknowledges that the report of a political expenditure for goods or services must describe the categories of goods or services received in exchange for the expenditure. The respondent agrees to comply with these requirements of the law.

VI. Confidentiality

This order and agreed resolution describes violations that the commission has determined are neither technical nor *de minimis*. Accordingly, this order and agreed resolution is not confidential under section 571.140 of the Government Code and may be disclosed by members and staff of the commission.

VII. Sanction

After considering the seriousness of the violations described under Sections III and IV, including the nature, circumstances, and consequences of the violations, and after considering the sanction necessary to deter future violations, the commission imposes a \$7,400 civil penalty.

VIII. Order

The commission hereby orders that if the respondent consents to the proposed resolution, this order and agreed resolution is a final and complete resolution of SC-2612262.

AGREED to by the respondent on this _____ day of _____, 20__.
