NOTICE TO COUNTY FILING AUTHORITIES

Below is a list of the forms, instructions, filing schedules, and other materials you should have in order to comply with your responsibilities as a filing authority for campaign finance reports under Title 15 of the Texas Election Code. All of these materials are available at www.ethics.state.tx.us on the Texas Ethics Commission's website under the "Resources" and "Forms/Instructions" main menu items.

If you prepare filing packets for candidates and officeholders, we recommend that packet include the items that are marked with an asterisk (*). To determine if you have the most current items, refer to the forms and instructions pages for local filers located on our website:

[Local Non-Judicial Candidates and Officeholders \(COH\)](#)

[Local Judicial Candidates and Officeholders \(JCOH\)](#)

[Local Specific-Purpose Committee \(SPAC/JSPAC\)](#)

Please do not hesitate to call if you have any difficulty accessing our forms, instructions, filing schedules, or other filing materials, or if you have any questions about the campaign finance laws. We encourage you to refer your campaign finance filers to the applicable guides and instructions or to our office if they have any questions about their filing obligations.

URGENT REMINDER: It is imperative that you affix a date stamp on the first page of every campaign finance report/document that is filed with your office. A date affixed by the filer when signing the report or a notary public when witnessing the filer's signature is not considered a date stamp of the filing authority. Also, encourage individuals with reporting questions to review the form instructions guide and appropriate campaign finance guide and to call the Ethics Commission if they still have questions.

All Political Subdivisions Must Post Campaign Finance Reports Online: Effective September 1, 2023, per HB 2626 passed by the 88th legislature, all political subdivisions are required to post on their website all campaign finance reports filed on or after September 1, 2023. The new Internet posting requirement applies to all entities that receive campaign finance reports, including counties, cities, school districts, hospital districts, library districts, utility districts, water districts, etc. The campaign reports must be posted within 10 business days of receipt and remain on the political subdivision's website for five years after the report is first made available. The political subdivision may redact the address (other than city, state and zip code) of any contributor before posting the report on its website. The report that includes the full address must remain available at the political subdivision's office.
