

**TEXAS ETHICS COMMISSION  
2022 FILING SCHEDULE FOR GENERAL-PURPOSE  
POLITICAL COMMITTEES FILING MONTHLY (MPAC)**

This is a filing schedule for general-purpose political committees that have elected to file campaign finance reports under the *monthly* filing schedule (referred to in this schedule as MPAC). *NOTE:* A general-purpose political committee that has elected to file reports under the regular filing schedule should use the 2022 REGULAR FILING SCHEDULE FOR GENERAL-PURPOSE POLITICAL COMMITTEES (GPAC), INCLUDING COUNTY EXECUTIVE COMMITTEES (CEC), AND SPECIFIC-PURPOSE POLITICAL COMMITTEES (SPAC).

A general-purpose political committee may elect monthly filing when it first files an appointment of campaign treasurer with the Ethics Commission. **A general-purpose political committee may change filing schedules by indicating the change on a Form AGTA filed between January 1 and January 15 of the applicable year.**

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE – This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline, where applicable. A report transmitted over the Internet is considered timely filed if it is transmitted **by midnight, Central Time Zone, on the night of the filing deadline.** For most filing deadlines, a report filed on paper is considered timely filed if it is deposited with the U.S. Post Office properly addressed with postage and handling charges prepaid to P.O. Box 12070, Austin, Texas, 78711-2070, or placed in the hands of a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to 201 E. 14th St., Sam Houston Building, 10th Floor, Austin, Texas, 78701, in the correct format by the filing deadline. *NOTE:* For a committee that has selected monthly filing, if the committee has activity in connection with an election, the report covering the month preceding the election in which the committee is involved must be *received* by the appropriate filing authority no later than the report due date. Daily pre-election reports of contributions accepted and direct campaign expenditures made during the period nine days before an election and ending at noon on the day before the election may also be required. Please consult the Campaign Finance Guide for further information.

COLUMN II: TYPE OF REPORT – This column gives the report type.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The "date of campaign treasurer appointment" is the beginning date only for the *first* report filed after the political committee filed a campaign treasurer appointment during the year. If the committee has been filing on the regular filing schedule and *changes* to monthly filing between January 1 and January 15, the beginning date for the committee's first monthly report (due February 7, deadline extended due to weekend) will be January 1. *NOTE:* If you are ever confused about the beginning date for a required report, remember this rule for reporting: **There should never be gaps between reporting periods and, generally, there should not be overlaps.**

COLUMN IV: ENDING DATE OF PERIOD COVERED - This column sets out the ending date of the time period covered by the report. If the committee files its first campaign treasurer appointment on or *before* the 25th day of the month, the ending date of the first report (due on the 5th day of the next month) will be the 25th day of the month in which the treasurer appointment was filed. If the committee files its first campaign treasurer appointment *after* the 25th day of the month, the ending date of the first report will be the 25th day of the *next* month, and the report will be due on the 5th day of the month after that. A report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES for further information.
