GENERAL INSTRUCTIONS

These general instructions apply to all forms required to be filed under title 15, Texas Election Code, for activity that occurs on or after January 1, 2024. For a report that includes activity occurring before January 1, 2024, you must use the instructions applicable before that time, which are available on the Texas Ethics Commission's website at <https://www.ethics.state.tx.us/forms/ptycorp/cecfm.php>.

IMPORTANT UPDATES

Increased Disclosure Thresholds

As directed by section 571.064 of the Texas Government Code, the Commission is required to annually adjust certain reporting thresholds upward to the nearest multiple of \$10 in accordance with the percentage increase for the previous year in the Consumer Price Index for Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor.

These changes will be made effective January 1st of each calendar year; the affected numbers and corresponding new thresholds are located in 1 T.A.C. §18.31, which can be found here: <https://www.ethics.state.tx.us/rules/>. The higher itemization thresholds will be reflected on the paper forms and in these instructions, as applicable.

Verify that you are using the correct thresholds and forms that apply to your filing. For example, if you are filing a campaign finance report or lobby activities report that is due in January of 2021, you must use the forms and instructions that are applicable to the period ending December 31, 2020.

Contributions Made Electronically Must Be Itemized

Beginning on September 1, 2019, all political contributions that are made electronically and accepted by a filer during the reporting period must be itemized in the filer's campaign finance report. This change is made by House Bill 2586, adopted by the 86th Texas Legislature.

ELECTRONIC FILING

All persons filing campaign finance reports with the Commission are required to file those reports electronically unless the person is eligible to claim an exemption. Check the Commission's website at <https://www.ethics.state.tx.us> for more detailed information about electronic filing.

FILLING OUT THE FORMS

All reports filed on paper must be either handwritten in ink or typewritten. If you complete the report by hand, print everything other than your signature.

If you are filing with the Commission, and you are eligible to claim an exemption to electronic filing, ***you may use your own computer-generated form*** if it provides for disclosure of all the information required on the Commission's form and it is *substantially identical* in paper size,

color, layout, and format. A substitute form that is substantially identical to the Commission's prescribed form must be submitted for pre-approval by the Commission's executive director.

Always file the cover sheet of the campaign finance report form. You need to file only those schedules on which you have information to report.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least two (2) years after the deadline for filing the report.

If you have questions, call our office at (512) 463-5800.

TEXAS ETHICS COMMISSION GUIDES

The Commission publishes a Campaign Finance Guide for each type of filer. These guides are designed to explain your responsibilities as a filer. The Commission encourages you to read the appropriate guide *before* you begin accepting political contributions or making or authorizing political expenditures.

PHOTOCOPIES OF FORMS

You may use photocopies of Commission forms. For example, if the space provided on Schedule A1 is insufficient, you may make copies of a blank Schedule A1 form and attach more pages as needed.

FILING DATE

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Report Covering Month Preceding an Election. A report covering the month preceding an election in which the committee is involved must be *received* by the Commission no later than the report due date.

If you are filing with the Commission, address your reports and correspondence to the Texas Ethics Commission, P.O. Box 12070, Austin, Texas 78711-2070. For hand-deliveries, the Commission's street address is 201 E. 14th Street, Sam Houston Building, 10th Floor, Austin, Texas 78701.

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

MONTHLY FILING COUNTY EXECUTIVE COMMITTEE CAMPAIGN FINANCE REPORT

These instructions are for county executive committees using the MONTHLY FILING COUNTY EXECUTIVE COMMITTEE CAMPAIGN FINANCE REPORT (Form MCEC). (Committees reporting under the regular filing schedule use Form CEC.) A complete report includes the two-sided cover sheet and any of the following schedules on which there is information to report: Schedules A1, A2, B, E, F1, F2, F3, F4, I, J, K, and T.

GENERAL INFORMATION

Use Form MCEC for filing the following reports:

- Monthly reports (due on the 5th of the month);
- 10th day after campaign treasurer termination; and
- Final report.

See the instructions for Sections 9 and 10 of the Cover Sheet for help in deciding which reports you should file.

Do not use Form MCEC for reports filed under the regular filing schedule. Use Form CEC.

DUTIES OF CAMPAIGN TREASURER

The committee's campaign treasurer is responsible for filing this form and keeping all necessary records. Failing to file a report on time or filing an incomplete report may subject the treasurer to criminal or civil penalties.

WHERE TO FILE

The campaign treasurer of the county executive committee must file this form, and all other reporting forms and schedules, with the Commission.

COMPLETING THE COVER SHEET

Each numbered item in these instructions corresponds to the same numbered item on the form.

PAGE 1

- 1. FILER ID:** The Commission assigned a filer identification number when the initial campaign treasurer appointment (Form CECTA) was filed. The campaign treasurer should have received a letter acknowledging receipt of the campaign treasurer appointment and showing the committee's filer identification number. Enter this number wherever you see "Filer ID."

2. **TOTAL PAGES FILED:** After you have completed the form, count the total number of pages of this form and any attached schedules. Enter that number where indicated on the top line of Page 1 only. Each side of a two-sided form counts as one page.
3. **COMMITTEE NAME:** Enter the committee’s full name. Your entry here should be the same as on the committee’s campaign treasurer appointment.
4. **COMMITTEE ADDRESS:** Enter the committee’s complete mailing address. If the mailing address has changed since the committee last gave notice of the address, check the “Change of Address” box.
5. **CAMPAIGN TREASURER NAME:** Enter the full name of the committee’s campaign treasurer.
6. **CAMPAIGN TREASURER STREET ADDRESS:** Enter the complete business or residential street address of the committee’s campaign treasurer. Do not enter a P.O. Box.
7. **CAMPAIGN TREASURER MAILING ADDRESS:** Enter the complete mailing address of the committee’s campaign treasurer. If the mailing address has changed since the committee last gave notice of the address, check the “Change of Address” box.
8. **CAMPAIGN TREASURER PHONE:** Enter the phone number of the campaign treasurer, including the area code and, if applicable, the extension.
9. **REPORT TYPE:** Check the box that describes the type of report you are filing, according to the descriptions below. See the instructions for Section 10 for the periods covered by each type of report.

Monthly Report: County executive committees filing under the monthly filing schedule must file a report by the 5th of each month to cover the previous month’s activities. If you are filing a monthly report, you must also complete Section 10 to indicate the reporting deadline.

Final Report: The filing thresholds for county executive committees are annual thresholds. Therefore, a county executive committee that is required to file a campaign treasurer in one year may terminate its appointment of campaign treasurer at the end of a calendar year. The committee will have to file a new appointment of campaign treasurer if it crosses one of the \$38,990 thresholds in the new calendar year.

A county executive committee filing under the monthly filing schedule that wishes to terminate its campaign treasurer appointment at the end of a calendar year should mark both “Final Report” *and* “January 5” as the report type on the monthly report that is due by January 5. The period covered by the report should end on December 31st, rather than December 25th. Filing a final report will terminate the county executive committee’s appointment of campaign treasurer.

10th Day After Campaign Treasurer Termination Report: A county executive committee’s campaign treasurer must file this report if his or her campaign treasurer appointment is terminated. This report is due no later than the 10th day after the

termination occurs. If the termination takes place on the last day of a reporting period, no separate termination report is required.

Daily Pre-Election Reports (Forms Daily-C PAC and Daily-E PAC): A county executive committee filing under the monthly filing schedule may be required to file daily pre-election reports disclosing contributions or direct expenditures during the period beginning the 9th day before an election and ending at 12 noon on the day before the election. This information is disclosed on Forms Daily-C PAC and Daily-E PAC. For more information, see the instructions for Forms Daily-C PAC and Daily-E PAC.

10. REPORT DEADLINE: *Complete this section only if you are filing a monthly report.* Monthly reports are due on the 5th of each month. A report covering the month preceding an election in which the committee is involved must be **received** by the Ethics Commission no later than the report due date. Check the box with the applicable filing deadline. For example, if you are filing the monthly report due on July 5th, check the “July 5” box (even though the report covers activity that occurred during May and June).

11. PERIOD COVERED: A reporting period includes the start date and the end date. For monthly reports, the due date (the 5th of each month) is 10 or 11 days **after** the ending date of the reporting period (the 25th of the previous month). You should never leave gaps between the periods covered, and generally, you should not have an overlap of time periods. Special pre-election reports do create overlaps. Consult your campaign finance guide for further explanation regarding special pre-election reports.

First Reports: If this is the first campaign finance report that your committee has filed, the start date depends on the date the committee filed its initial campaign treasurer appointment (Form CECTA) and when it chose to file under the monthly filing schedule.

Before 25th of the Month: If your committee filed its initial campaign treasurer appointment (Form CECTA) before the 25th of the month and chose to file monthly at that time, the start date is the date the initial campaign treasurer appointment was filed. The end date is the 25th day of the same month.

Example: A county executive committee files its initial campaign treasurer appointment and chooses monthly filing on May 15. Its first monthly report is due June 5, covering the period beginning May 15 and ending May 25.

On or After 25th of the Month: If your committee filed its initial campaign treasurer appointment (Form GTA) on or after the 25th of the month, and chose to file monthly at that time, the start date is the date the initial campaign treasurer appointment was filed. The end date is the 25th day of the **next** month.

Example: A county executive committee files its initial campaign treasurer appointment and chooses monthly filing on May 27. Its first monthly report is due July 5, covering the period beginning May 27 and ending June 25.

Committee Changes to Monthly Filing: If your committee has been filing under the regular filing schedule, and chooses monthly filing between January 1 and January 15 of a particular year, the start date for the first monthly report (due February 5) is January 1. The end date is January 25. Note: To change to monthly filing, a general-purpose committee must deliver written notice to the Ethics Commission between January 1 and January 15..

Monthly Reports: For monthly reports other than the first monthly report, the start date is the 26th of one month or the day after the last day covered by the last required report, whichever is later. Except for a final report, the end date is the 25th of the next month.

10th Day After Campaign Treasurer Termination Report: The start date is the day after the last day covered by the last required report. If this is the committee’s first report, see the “First Reports” section above. The end date is the day the termination is filed. This report is due no later than 10 days after the termination is filed with the Ethics Commission.

Final Report: See “Final Report” under the instructions for Section 9.

Note: If you need additional information, see the *Campaign Finance Guide for Political Committees*.

Line 3- OFFICEHOLDERS ASSISTED: Identify each officeholder assisted by the committee during the reporting period. If the committee’s assistance was based on the officeholder’s political party, simply identify the political party.

15. TOTALS: Complete this section only after you have completed any applicable schedules.

Line 1- TOTAL UNITEMIZED POLITICAL CONTRIBUTIONS: Enter the total of all unitemized contributions (other than pledges, loans, guarantees of loans, or contributions made electronically) of \$20 or less. Do not include any contributions itemized on Schedule A1 and A2 or any contribution made electronically. Enter a “0” if you did not receive any unitemized contributions during the period covered.

On Schedules A1 and A2, you are required to itemize political contributions that totaled more than \$20 from one person during the reporting period and any political contribution that is made electronically. (Remember: If the committee received contributions *totaling* more than \$20 from one person during the reporting period, you are required to itemize all of those contributions, even if individual contributions were \$20 or less.) You may also itemize contributions of \$20 or less from one person. Do not include any itemized contributions in the total entered on line 1, regardless of amount.

Alternate Reporting Requirement for Certain Committees: A county executive committee with less than \$31,190 in total political contributions maintained as of the last day of the preceding reporting period may choose to enter on line 1 the total of all unitemized political contributions (other than pledges or loans or guarantees of loans) of \$40 or less. If the committee is eligible, check the box on line 1, indicating that the report qualifies for the higher itemization threshold. If you choose this alternative, you are required to itemize political contributions that totaled more than \$40 from one person on Schedules A1 and A2. Do not include any itemized contributions in the total entered on line 1, regardless of amount.

Line 2- TOTAL POLITICAL CONTRIBUTIONS: Add the total contributions listed on Schedules A1 and A2 to the amount you entered on line 1. Enter that total on line 2. Enter a “0” if you did not receive any contributions during the period covered.

Line 3- TOTAL UNITEMIZED POLITICAL EXPENDITURES: Enter the total of all unitemized political expenditures of \$20 or less. Do not include any expenditures itemized on Schedules F1, F2, F3, or F4. Enter a “0” if you did not make any unitemized expenditures during the period covered.

On Schedule F1, you are required to itemize political expenditures that totaled more than \$20 to one payee. (Remember: If the committee made expenditures *totaling* more than \$20 to one person during the reporting period, you are required to itemize all of those expenditures, even if individual expenditures were \$20 or less.) You may also itemize expenditures totaling \$20 or less to one payee. Do not include any expenditures itemized on Schedule F1 in the total entered on line 3, regardless of amount.

On Schedule F2, you are required to itemize incurred but not yet paid political expenditures that totaled more than \$20 to one payee. You may also itemize incurred political expenditures totaling \$20 or less to one payee. Do not include any political or non-political expenditures itemized on Schedule F2 in the total entered on line 3, regardless of amount.

On Schedule F4, you are required to itemize political expenditures made by a credit card that totaled more than \$20 to one payee. You may also itemize political expenditures totaling \$20 or less to one payee. Do not include any political or non-political expenditures itemized on Schedule F4 in the total entered on line 3, regardless of amount.

Line 4- TOTAL POLITICAL EXPENDITURES: Add the following:

- (a) the total expenditures listed on Schedule F1;
- (b) the total political expenditures listed on Schedule F2;
- (c) the total political expenditures listed on Schedule F4; and
- (d) the amount you entered on line 3.

Enter that total on line 4.

Enter a “0” if you did not make any expenditures during the period covered.

Line 5- TOTAL POLITICAL CONTRIBUTIONS MAINTAINED: Enter the total amount of political contributions, including interest or other income on those contributions, maintained as of the last day of the reporting period. Enter “0” if you do not maintain political contributions, including interest or other income on those contributions, as of the last day of the reporting period. This is different from the total contributions reported on line 2. Only contributions accepted during the period covered by the report are entered on line 2.

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period.

The “total amount of political contributions maintained” includes: the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer.

Line 6- TOTAL PRINCIPAL AMOUNT OF ALL OUTSTANDING LOANS: Enter the aggregate outstanding principal amount of all loans accepted for political purposes as of the last day of the reporting period. This is different from the information reported on Schedule E. Include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously. Enter a “0” if you did not accept any loans during the period covered and have no outstanding loans. This line must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously.

16. SIGNATURE: Complete this section only after you have completed all applicable sections and schedules. You must always sign a report that you file. You must complete this section even if you have no schedules to attach. *Only the committee’s campaign treasurer or the assistant campaign treasurer may sign the report.*

If you are using the paper form, fill this section out by hand after you finish the rest of this report. You have the option to either: (1) take the completed form to a notary public where you

will sign above the first line that says “Signature of Campaign Treasurer (Declarant)” (an electronic signature is not acceptable) and your signature will be notarized, or (2) sign above both lines that say “Signature of Campaign Treasurer (Declarant)” (an electronic signature is not acceptable), and fill out the unsworn declaration section.

SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS

These instructions are for county executive committees filing monthly.

Use this schedule to disclose information about incoming monetary political contributions accepted during the reporting period. You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on other types of incoming funds, such as, non-monetary contributions, interest, pledges, loans, or guarantees of loans. (Report non-monetary contributions on Schedule A2, pledges on Schedule B, loans and guarantees of loans on Schedule E, and interest on Schedule K.)

Corporate or Labor Organization Contributions: Do not enter on this schedule contributions from labor organizations or any of the following business associations:

- (1) corporations that are organized under the Texas Business Corporation Act, the Texas For-Profit Corporation Law, the Texas Non-Profit Corporation Act, the Texas Nonprofit Corporation Law, federal law, or law of another state or nation; or
- (2) the following associations, whether incorporated or not: banks, trust companies, savings and loan associations or companies, insurance companies, reciprocal or interinsurance exchanges, railroad companies, cemetery companies, government-regulated cooperatives, stock companies, and abstract and title insurance companies.

Subject to various restrictions, a corporation or labor organization may make contributions to a political party. If the county executive committee of a political party accepts contributions from a corporation or labor organization, the county chair must report those contributions and expenditures from those contributions on the "POLITICAL PARTY REPORT REGARDING FUNDS FROM CORPORATIONS AND LABOR ORGANIZATIONS" (Form PTY-CORP).

Itemization: You must enter incoming monetary contributions that exceed \$20 in the aggregate from one person, and any monetary contribution made electronically (regardless of amount), during the reporting period on this schedule. If the committee accepted two or more contributions from the same person, the total of which exceeds \$20, enter each contribution separately. Although you are not required to do so, you may also report other contributions that are not made electronically from one person that do not exceed \$20 in the period on this schedule. If you do not itemize contributions of \$20 and less on Schedule A1, you must total all such contributions and report them on the Cover Sheet, page 2, section 15, line 1.

Alternate Reporting Requirement for Certain Committees: A county executive committee filing monthly with less than \$31,190 in total political contributions maintained as of the last day of the preceding reporting period may choose to itemize political contributions that exceed \$40 in the aggregate (instead of \$20) from one person during a reporting period on Schedule A1. If the committee accepted two or more contributions from the same person, the total of which exceeds \$40, enter each contribution separately. If you do not itemize contributions of \$40 and less on Schedule A1, you must total all such contributions and report them on the Cover Sheet, page 2, section 15, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE A1:** After you have completed Schedule A1, count the total number of pages. Each side of a two-sided form counts as one page.
2. **FILER NAME:** Enter the committee’s full name.
3. **FILER ID:** See Instructions for Cover Sheet, page 1, section 1.
4. **DATE:** Enter the date the committee *accepted* the contribution.

Accepting a contribution is different from *receiving* a contribution. The committee accepts a contribution when the determination is made to accept it rather than reject it. This may or may not be the same day that the committee receives the contribution.

Failure to make a determination about acceptance or refusal: If you fail to make a determination to accept or refuse a contribution by the end of the reporting period, the contribution is considered to have been accepted.

Returning refused contributions: If you receive a political contribution but do not accept it, you must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. If you fail to do so, the contribution is considered to have been accepted.

5. **FULL NAME OF CONTRIBUTOR:** Enter the full name of the contributor. If the contributor is an individual, enter the full name, first, last, and suffix (Jr., III, etc.) if applicable (title is optional). If the contributor is an entity, enter the full name of the entity.

“Out-of-State PAC” box: If the contributor is an out-of-state political committee, check the box. Certain restrictions apply to contributions from out-of-state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

If the contributor is an out-of-state political committee from which the committee accepted more than \$1,080 in the reporting period (including pledges or loans from sources other than financial institutions that have been in business for more than a year) you must include one of the following with your report:

- a copy of the out-of-state PAC’s statement of organization filed as required by law with the Federal Election Commission (FEC) and certified by an officer of the out-of-state PAC; or
- a written statement, certified by an officer of the out-of-state PAC, listing the full name and address of each person who contributed more than \$220 to the out-of state PAC during the 12 months immediately preceding the contribution.

If the contributor is an out-of-state political committee from which the committee accepted \$1,080 or less (including pledges) during the reporting period, you must include one of the following with your report:

- a copy of the out-of-state political committee’s statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee; or
- a document listing the committee’s name, address and phone number; the name of the person appointing the committee’s campaign treasurer; and the name, address and phone number of the committee’s campaign treasurer.

“ID #” Line (Electronic Filing Only): If you are filing your report electronically, you may enter in this field the out-of-state committee's FEC identification number. If you do not have an FEC # for the out-of-state PAC or are not filing electronically with the Commission, you must provide other documentation as explained above.

Note: See the *Campaign Finance Guide for Political Committees* for detailed information on accepting and reporting contributions from out-of-state political committees.

6. **CONTRIBUTOR ADDRESS:** Enter the complete address of the contributor.
7. **AMOUNT OF CONTRIBUTION:** Enter the exact amount of the contribution.
8. **PRINCIPAL OCCUPATION/JOB TITLE:** Enter the contributor’s principal occupation or job title in this section.
9. **EMPLOYER (Optional):** You may enter the employer of the contributor in this section.

SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS

These instructions are for county executive committees filing under the monthly filing schedule.

Use this schedule to disclose information about incoming non-monetary (in-kind) political contributions received during the reporting period. An in-kind contribution is a contribution of goods, services, or any other thing of value **other than money** that is given to your committee. You are not required to include contributions of an individual's personal services or travel if the individual receives no compensation from any source for the services. If your committee accepted other types of incoming funds (such as loans, interest or pledges), enter them on the applicable schedules associated with the categories. (Report pledges on Schedule B, report loans and guarantees of loans on Schedule E, and report interest on Schedule K).

Corporate or Labor Organization Contributions: See instructions for Schedule A1.

Itemization: You must enter contributions that exceed \$20 from one person, and any non-monetary contribution made electronically (regardless of amount), during the reporting period on this schedule. If the committee accepted two or more contributions from the same person, the total of which exceeds \$20, enter each contribution separately. Although you are not required to do so, you may also report contributions that are not made electronically from one person that do not exceed \$20 in the period on this schedule. If you do not itemize contributions of \$20 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 15, line 1.

Alternate Reporting Requirement for Certain Committees: A county executive committee filing monthly with less than \$31,190 in total political contributions maintained as of the last day of the preceding reporting period may choose to itemize political contributions that exceed \$40 (instead of \$20) from one person during a reporting period on this schedule. If the committee accepted two or more contributions from the same person, the total of which exceeds \$40, enter each contribution separately. If you do not itemize contributions of \$40 and less on this schedule, you must total all such contributions and report them on Form MCEC Cover Sheet, page 2, section 15, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 4. TOTAL OF UNITEMIZED IN-KIND POLITICAL CONTRIBUTIONS:** Enter the total amount of in-kind political contributions of \$20 or less that you accepted during the period covered that are not itemized on this schedule. If you choose to itemize an in-kind contribution of \$20 or less on this schedule, do not include it in this total. If your committee

qualifies for the higher itemization threshold, see “Alternate Reporting Requirement for Certain Committees” above. All contributions made electronically must be itemized.

5. **DATE:** See instructions for Schedule A1, section 4.
6. **FULL NAME OF CONTRIBUTOR:** See instructions for Schedule A1, section 5.

“Travel Outside of Texas” box: Check the box to indicate that the in-kind contribution was for travel outside of Texas. The description of an in-kind contribution for travel outside of Texas must include detailed information. Report this information on Schedule T.

10. **PRINCIPAL OCCUPATION/JOB TITLE:** You must enter the contributor’s principal occupation or job title in this section.
11. **EMPLOYER (Optional):** You may enter the employer of the contributor in this section.

Sections 12-16 pertain to judicial candidates, officeholders, and judicial specific-purpose committees only. Do not complete these sections. If you are a judicial specific-purpose committee, use Form JSPAC and the corresponding instructions.

SCHEDULE B: PLEDGED CONTRIBUTIONS

These instructions are for county executive committees filing under the monthly filing schedule.

Use this schedule to disclose information about pledges accepted during the reporting period for political purposes. You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on contributions actually received, loans or guarantees of loans. (Report contributions actually received on Schedules A1 and A2, and report loans and guarantees of loans on Schedule E.)

If the committee accepts a pledge from a person for money, goods, services, or anything of value, that pledge is a reportable contribution. Note that the committee must accept the pledge before you are required to report the pledge.

If the committee accepts a pledge for money, goods, services, etc., you must include the pledge on this schedule for the report covering the period in which the committee *accepts* the pledge.

Corporate or Labor Organization Contributions: Do not enter pledges accepted from labor organizations or corporations on this form. See Schedule A1 for further instructions.

Itemization: A county executive committee filing under the monthly filing schedule must itemize pledges that exceed \$20 in the aggregate from a single contributor during the reporting period. If your committee accepted two or more pledges from the same person, the total of which exceeds \$20, enter each pledge separately. Although you are not required to do so, you may also itemize pledges totaling less than \$20 from one person.

You must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary (in-kind) contributions), as applicable, in the reporting period in which you actually receive the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule.

Note: See the Campaign Finance Guide for more information on pledges.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE B:** After you have completed Schedule B, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter the committee's full name.
- 3. FILER ID:** See the instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED PLEDGES:** Enter the total amount of pledges that the committee accepted during the period from each person that did not exceed \$20 in the aggregate. Although you are not required to do so, you may also itemize pledges of \$20 or less on this schedule. If you itemize some pledges of \$20 or less, do not include those

pledges in the total entered here. If you choose to itemize all pledges of \$20 or less, do not enter a total amount here.

5. **DATE:** Enter the date your committee accepted the pledge, regardless of when the pledge is actually received. You accept a pledge when you decide to accept it rather than reject it. Note that your committee must accept a pledge before you are required to report it.

Pledge accepted and received in different reporting periods: If your committee *accepts* a pledge in one reporting period and then *receives* the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans) in the reporting period in which you received the pledge.

Pledge received in same reporting period as accepted: If your committee receives a pledge in the same reporting period in which it was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). The date of the contribution will be the date your committee accepted the pledged contribution, regardless of when the pledged contribution was actually received.

Pledge accepted but never received: You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If your committee never actually receives the pledge, it is not necessary to correct your report to delete the pledge.

Example: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

6. **FULL NAME OF PLEDGOR:** Enter the full name of the person who made the pledge.

“Out-of-State PAC” box: See instructions for Schedule A1, section 5.

7. **PLEDGOR ADDRESS:** Enter the complete address of the person who made the pledge.

8. **AMOUNT OF PLEDGE:** Enter the exact amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

9. **IN-KIND CONTRIBUTION DESCRIPTION:** If the pledge was for goods or services or any other thing of value, enter a description of the pledged goods or services or other thing of value. The description should be sufficiently detailed to allow a person reviewing the committee's report to understand what was pledged.

“Travel Outside of Texas” box: Check the box to indicate that the in-kind contribution

was for travel outside of Texas. The description of an in-kind contribution for travel outside of Texas must include detailed information. Report this information on Schedule T.

10. **PRINCIPAL OCCUPATION/JOB TITLE:** You must enter the pledgor's principal occupation or job title.
11. **EMPLOYER (*Optional*):** You may enter the employer of the pledgor in this section.

SCHEDULE E: LOANS

These instructions are for county executive committees filing under the monthly filing schedule.

Use this schedule to disclose information about loans, and guarantees of loans, accepted during the reporting period for political purposes.

Itemization: You are required to itemize all loans from financial institutions, regardless of the amount. Additionally, as a county executive committee filing under the monthly filing schedule, your committee must itemize loans exceeding \$20 that the committee accepted during the reporting period from one person. If the committee accepted two or more loans from the same person, the total of which exceeds \$20, itemize each loan separately. You must also itemize loans that are made electronically by a person other than a financial institution. Although you are not required to do so, you may also itemize on this schedule any other loans from persons other than financial institutions that do not exceed \$20 for the reporting period. If you do not itemize loans of \$20 and less from persons other than financial institutions on Schedule E, you must total all such loans and enter the lump sum total on line 4 of Schedule E.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 4. TOTAL OF UNITEMIZED LOANS:** Enter the total amount of loans accepted during the reporting period that did not exceed \$20 in the aggregate per person and were not from financial institutions, unless the loans were made electronically.

Although you are not required to do so, you may also itemize loans of \$20 or less from persons other than financial institutions on this schedule. If you itemize some loans of \$20 or less, do not include those loans in the total you enter here. If you choose to itemize all loans of \$20 or less, do not enter a total amount here.

- 5. DATE OF LOAN:** Enter the date the committee accepted the loan.
- 6. IS LENDER A FINANCIAL INSTITUTION?:** If the committee accepted the loan from a corporation that has been legally engaged in the business of making loans for more than one year, choose the “Y” for yes. If the committee accepted the loan from any other source, choose “N” for no. Remember that a loan from a corporation that is not a financial institution that has been legally engaged in the business of making loans for more than one year is a corporate contribution. Subject to various restrictions, a corporation or labor organization may make contributions to a political party. If the county executive committee of a political party accepts contributions from a corporation or labor organization, the county chair must report those contributions and expenditures from those contributions on the “POLITICAL PARTY REPORT REGARDING FUNDS FROM CORPORATIONS AND LABOR ORGANIZATIONS” (Form PTY-CORP).

7. **NAME OF LENDER:** Enter the full name of the person or financial institution that made the loan.

 “Out-Of-State PAC” Box: See instructions for Schedule A1, box 5.

13. **EMPLOYER (Optional):** You may enter the employer of the lender in this section.
14. **DESCRIPTION OF COLLATERAL:** If there is no collateral for the loan, check the “none” box and go to Section 16. If there is collateral for the loan, enter a description of the collateral for the loan.
15. **“Check if personal funds were deposited into political account” box:** Skip to section 16. This only applies to candidates and officeholders.
16. **GUARANTOR INFORMATION:** If there are no guarantors for the loan, check the “Not Applicable” box and skip sections 17 through 21. If you have no further loans to report, go to the next applicable schedule.

 Note: A person who guarantees all or part of a loan makes a reportable contribution in the amount of the guarantee. You must report such a contribution on this schedule, and not on the applicable contributions schedule.
17. **NAME OF GUARANTOR:** Enter the full name of the person guaranteeing the loan. If the guarantor is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the guarantor is an entity, enter the full name of the entity.

SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS

These instructions are for county executive committees filing under the monthly filing schedule.

Use this schedule to disclose information about outgoing political payments made from political contributions during the reporting period. Do not enter on this schedule unpaid incurred obligations, the purchase of investments from political contributions, political expenditures made from personal funds, or expenditures made by credit card. (Report unpaid incurred obligations on Schedule F2; report the purchase of investments from political contributions on Schedule F3; and report expenditures made by credit card on Schedule F4.)

Expenditures Made by Credit Card: You must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions) or Schedule I (used for nonpolitical payments from political contributions), as applicable. See instructions for Schedule F4: Expenditures Made by Credit Card for more information.

Itemization: You must enter political expenditures made to an individual or entity during a reporting period that exceed \$20 under this schedule. If the committee made more than one expenditure to the same payee, the total of which exceeded \$20, enter each expenditure separately. Although you are not required to do so, you may report expenditures to one person that do not exceed \$20 on this schedule. If you choose not to itemize expenditures of \$20 and less on this schedule, you must total all unitemized expenditures and report them on Form MCEC Cover Sheet, Page 2, Section 15, Line 3.

Note: Do not include political expenditures made out of contributions from corporations or labor organizations on this schedule. The county chair must report those expenditures on Form PTY-CORP.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F1:** After you have completed Schedule F1, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter the committee's full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date the expenditure was made. Remember: Expenditure obligations your committee incurred in this reporting period ***but have not yet paid*** are entered on Schedule F2. Expenditures made by credit card are entered on Schedule F4.
- 5. PAYEE NAME:** Enter the full name of the person to whom the expenditure was made.

Note: If you make an expenditure for goods or services to benefit a candidate, officeholder, or other committee, enter the name of the vendor who sold the goods or services to the

committee. Do not enter the name of the person for whose benefit the committee made the expenditure. Include that information under Section 8, “Purpose of Expenditure.”

- 6. **AMOUNT:** Enter the exact amount of the expenditure.
- 7. **PAYEE ADDRESS:** Enter the complete address of the person to whom the expenditure was made.
- 8. **PURPOSE OF EXPENDITURE:** You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

(a) **Category:** Select a category of goods, services, or other thing of value for which an expenditure is made. Examples of acceptable categories include:

Advertising Expense

Accounting/Banking

Consulting Expense

Contributions/Donations Made By Candidate/Officeholder/Political Committee

Credit Card Payment

Event Expense

Fees

Food/Beverage Expense

Gifts/Awards/Memorials Expense

Legal Services

Loan Repayment/Reimbursement

Office Overhead/Rental Expense

Polling Expense

Printing Expense

Salaries/Wages/Contract Labor

Solicitation/Fundraising Expense

Transportation Equipment and Related Expense

Travel In District

Travel Out Of District

Other (Enter your own category, if none of the listed categories apply.)

(b) Description: Enter a brief statement or description of the political committee activity that is conducted by making the political payment. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. State whether the expenditure was to support or oppose a candidate, officeholder, political party, or ballot measure, and identify the candidate, officeholder, political party, or ballot measure.

“Check if travel outside of Texas” box: The description of a political expenditure for travel outside of the state of Texas must include detailed information. Report this information on Schedule T.

“Check if Austin, TX, officeholder living expense” box: Check this box if the expenditure is an officeholder expense for living in Austin, Texas.

For examples of acceptable ways to disclose the purpose of an expenditure, including both a description of the category of goods or services received in exchange for the expenditure and a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure, see "Examples: Purpose of Expenditures."

9. DIRECT EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER: If the committee made a direct campaign expenditure to benefit a candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the expenditure was not a direct campaign expenditure.

NOTE: Do NOT complete this section if your committee is the principal political committee for a political party in the state or in a county and the direct campaign expenditure is made on behalf of a slate of two or more nominees of the party.

A “direct campaign expenditure” to benefit a candidate is not a “political contribution” to that candidate. A direct campaign expenditure is a campaign expenditure that the committee made on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If the committee made an expenditure to prepare and distribute an endorsement letter in support of a candidate and the committee did not get the candidate’s approval *before* it made the expenditure, the committee made a *direct campaign expenditure*. However, if the committee asked for and received the candidate’s approval before making the expenditure, the committee made an *in-kind contribution* to the candidate.

SCHEDULE F2: UNPAID INCURRED OBLIGATIONS

These instructions are for county executive committees filing under the monthly filing schedule.

Use this schedule to disclose information about obligations to make an expenditure that your committee incurred during the reporting period but have not yet paid. Do not enter on this schedule obligations that were incurred and paid during the reporting period, or other outgoing funds. (Report obligations incurred and paid during the reporting period on Schedule F1, F3, or I, as appropriate; report expenditures made by credit card on Schedule F4.)

Itemization: Itemization requirements differ depending on whether the unpaid incurred obligation is for a political or non-political expenditure.

Unpaid Incurred Political Obligations: As a county executive committee filing under the monthly filing schedule, your committee is required to itemize incurred expenditures that exceed \$20 (in the aggregate) to a single payee. If your committee incurred two or more political expenditures to the same payee, the total of which exceeded \$20, enter each incurred expenditure obligation separately. Although you are not required to do so, you may also itemize on Schedule F2 incurred political expenditures to a single payee that do not exceed \$20 for the reporting period. If you do not itemize incurred political expenditures of \$20 and less on Schedule F2, you must total all such incurred political expenditures and enter the lump sum total on Line 4 of this schedule.

Unpaid Incurred Non-Political Obligations: Your committee is required to itemize any non-political expenditure, regardless of the amount. If your committee incurred two or more non-political expenditures to the same payee, enter each incurred expenditure obligation separately.

Note: Do not include incurred expenditure obligations from contributions from corporations or labor organizations on this schedule. The county chair must report those incurred obligations from those corporate contributions on Form PTY-CORP.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F2:** After you have completed Schedule F2, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter the committee's full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED UNPAID INCURRED OBLIGATIONS:** Enter the total amount of political obligations incurred during the reporting period that do not exceed \$20 in the aggregate per person, unless itemized on this schedule. You are not required to itemize unpaid incurred political obligations of \$20 or less, but if you choose to do so, do not include those unpaid incurred obligations in the total you enter here.

5. DATE: Enter the date your committee incurred the expenditure obligation. Remember: Expenditure obligations you incurred *and* paid in this reporting period are entered on Schedule F1 or I, as applicable. Expenditures made by credit card are disclosed on Schedule F4.

6. PAYEE NAME: Enter the full name of the payee of the expenditure obligation.

Note: If you incurred an obligation for goods or services to benefit a candidate, officeholder, or other committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you incurred the obligation. Include that information under section 10, “Purpose of Expenditure.”

7. AMOUNT: Enter the amount of the incurred expenditure obligation.

8. PAYEE ADDRESS: Enter the complete address of the payee of the expenditure obligation.

9. TYPE OF EXPENDITURE: Check only one box to indicate whether the incurred obligation was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

10. PURPOSE OF EXPENDITURE: See instructions for Schedule F1, section 8.

11. DIRECT EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER: See instructions for Schedule F1, section 9.

SCHEDULE F3: PURCHASE OF INVESTMENTS FROM POLITICAL CONTRIBUTIONS

These instructions are for county executive committees filing under the monthly filing schedule.

Use this schedule to disclose information about investments purchased from political contributions during the reporting period. Do not enter on this schedule other types of outgoing funds or activity, such as political payments, unpaid incurred expenditure obligations, or expenditures made by credit card. (Report political payments on Schedule F1; report unpaid incurred expenditure obligations on Schedule F2; and report expenditures made by credit card on Schedule F4.)

Itemization: You are required to itemize investments that exceed \$140. If your committee made two or more payments to the same payee to purchase an investment, the total of which exceeded \$140, enter each payment separately. Although you are not required to do so, you may also itemize on Schedule F3 a political payment to purchase an investment that does not exceed \$140 for the reporting period.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F3:** After you have completed Schedule F3, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter the committee’s full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date your committee purchased the investment.
- 5. NAME OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the full name of the person or entity from whom you purchased the investment. If you purchased the investment from an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable (title is optional). If you purchased the investment from an entity, enter the full name of the entity.
- 6. ADDRESS OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the complete address of the person or entity from whom you purchased the investment.
- 7. DESCRIPTION OF INVESTMENT:** Enter a brief statement or description of the investment (for example, “ten shares of stock in ABC Company”).
- 8. AMOUNT OF INVESTMENT:** Enter the amount of the investment purchased.

SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD

These instructions are for county executive committees filing under the monthly filing schedule.

Note: *significant changes were made to Schedule F4 in 2024.*

Use this schedule to disclose information about expenditures made by a credit card. You must disclose expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card issuer. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions) or Schedule I (used for nonpolitical payments from political contributions), as applicable.

Do not enter on this schedule political expenditures from political contributions or unpaid incurred obligations. (Report political expenditures from political contributions on Schedule F1; report unpaid incurred obligations on Schedule F2.)

For examples regarding the disclosure of expenditures made by credit card, see “Examples: Reporting Expenditures Made by Credit Card.”

Note: Do not include credit card expenditures to be paid out of contributions from corporations or labor organizations on this schedule. The county chair must report those credit card expenditures to be paid out of those corporate contributions using Form PTY-CORP.

Itemization: Itemization requirements differ depending on whether the expenditure made by a credit card is for a political or non-political expenditure.

Political Expenditures Made by Credit Card: You must itemize political expenditures made by credit card that exceed \$20 (in the aggregate) to a single payee. If you made two or more expenditures to the same payee, the total of which exceeded \$20, enter each expenditure made by credit card separately. Although you are not required to do so, you may also report political expenditures made by credit card that do not exceed \$20 in the reporting period on this schedule. If you choose not to itemize political expenditures made by credit card of \$20 and less on this schedule, you must total all unitemized political expenditures and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$20 or less on MCEC Cover Sheet, page 2, section 15, line 3.

Non-Political Expenditures Made by Credit Card: You must itemize any non-political expenditure made by credit card, regardless of the amount.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F4:** After you have completed Schedule F4, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.

4. TOTAL OF UNITEMIZED EXPENDITURES CHARGED TO A CREDIT CARD:

Enter the total amount of political expenditures charged to a credit card during the reporting period that do not exceed \$20 in the aggregate per person, unless itemized on this schedule. You are not required to itemize political expenditures made by credit card of \$20 or less, but if you choose to do so, do not include those political expenditures made by credit card in the total you enter here.

5. DATE: Enter the date you made the expenditure by credit card.

Note: There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.*

6. PAYEE NAME: See instructions for Schedule F1, section 5. Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card issuer. You do not report the name of the credit card issuer on this schedule.

Note: If you made an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 10, “Purpose of Expenditure.”

7. AMOUNT: Enter the amount of the credit card expenditure.

8. PAYEE ADDRESS: Enter the complete address of the payee of the credit card expenditure.

9. TYPE OF EXPENDITURE: Check only one box to indicate whether the credit card expenditure was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

10. PURPOSE OF EXPENDITURE: See instructions for Schedule F1, section 8.

Note: Do not choose “Credit Card Payment” as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card issuer. Instead, choose the category that corresponds to the goods, services, or other thing of value purchased from the individual, entity, or vendor.

11. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

See instructions for Schedule F1, section 9.

SCHEDULE I: NON-POLITICAL EXPENDITURES MADE FROM POLITICAL CONTRIBUTIONS

These instructions are for county executive committees filing under the monthly filing schedule.

Use this schedule to disclose information about non-political expenditures from political contributions that were made during the reporting period. Do not enter other types of outgoing funds or activity, such as political expenditures, investment purchases, unpaid incurred expenditure obligations, or expenditures made by credit card. (Report political expenditures, unpaid incurred obligations, investment purchases, or non-political expenditures made by credit card on Schedules F1, F2, F3, or F4, respectively.)

Expenditures Made by Credit Card: You must disclose non-political expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions) or Schedule I (used for nonpolitical payments from political contributions), as applicable. See instructions for Schedule F4: Expenditures Made by Credit Card for more information.

Itemization: You must enter all non-political expenditures from political contributions on this schedule, regardless of the amount. If your committee made two or more payments to the same payee, enter each payment separately. A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. SCHEDULE K: INTEREST, CREDITS, GAINS, REFUNDS, AND CONTRIBUTIONS RETURNED TO FILER

Use this schedule to report information regarding any credit, interest, rebate, refund, reimbursement, or return of a deposit fee resulting from the use of a political contribution, any proceeds of the sale of an asset purchased with a political contribution, any other gain from a political contribution, or any political contribution returned to the committee during the reporting period.

Itemization: You must enter any credit, interest, rebate, refund, reimbursement, or return of a deposit fee resulting from the use of a political contribution; any proceeds of the sale of an asset purchased with a political contribution, the amount of which exceeds \$140; any other gain from a political contribution, the amount of which exceeds \$140; and any political contributions previously made to a candidate, officeholder, or another political committee that were returned to your committee during the reporting period. ADDITIONAL INFORMATION REGARDING EXPENDITURES

REPORTING TIPS TO AVOID COMMON PITFALLS: OUTGOING EXPENDITURES

You can never go wrong by disclosing the date the credit card was charged as the expenditure date. For all monthly reports, the expenditure date may be *either* the date of the charge *or* the date of receipt of the credit card bill that includes the expenditure.

If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, disclose the vendor who sold you the goods or services as the payee. DO NOT disclose as the payee the name of the candidate, officeholder, or committee that benefitted from the expenditure. Include that person's name under the purpose description.

Did a staff worker make political payment(s) out of his or her personal funds? How you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

EXAMPLES: REPORTING EXPENDITURES MADE BY CREDIT CARD

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures made by credit card and payments made to credit card issuers.

Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made by credit card.

Example #1: Candidate Using Credit Card to Make Political Expenditures and Using Political Contributions to Pay the Entire Credit Card Bill in the Same Reporting Period

A candidate for elected office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate uses her credit card to buy \$500 in political advertising signs from a sign company. During the same reporting period, the candidate makes a single payment from her political contributions account to pay the \$1,500 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charges and sent the payment to the credit card issuer:

1. The candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 twice, once for the \$1,000 expenditure and again for the \$500 expenditure.
2. For the \$1,000 expenditure, the candidate reports an amount charged of \$1,000 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$1,500 in section 6(c). She identifies the office store in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Office Overhead/Rental Expense,” and the description is “Campaign Office Supplies.” In Section 8 of the schedule, the box for “Political” is also checked.
3. For the \$500 expenditure, the candidate reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$1,500 in section 6(c). She identifies the sign company in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising Signs.” In Section 8 of the schedule, the box for “Political” is also checked.
4. For the payment to the credit card issuer: a \$1,500 expenditure is reported on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for credit card expenditures.”

5. Both \$1,500 amounts reported on Schedules F4 and F1 are also included in the appropriate totals sections of Cover Sheet Pages 2 and 3.

Example #2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Entire Credit Card Bill in the Same Reporting Period

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes one payment from his personal funds account to pay the entire \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card issuer:

1. The candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 once, for the \$3,000 expenditure.
2. The candidate reports an amount charged of \$3,000 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$3,000 in section 6(c). He identifies the print shop in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising Materials.” In Section 8 of the schedule, the box for “Political” is also checked.
3. For the payment to the credit card issuer: a \$3,000 expenditure on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
4. Both \$3,000 amounts reported on Schedules F4 and G are also included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A general-purpose committee (GPAC) uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card issuer but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card issuer, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. The GPAC fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The GPAC fills out sections 6 through 9 once, for the \$500 expenditure.
2. The GPAC reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and leaves section 6(c) blank. They identify the newspaper in section 7 as the payee of the expenditure and include their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.
3. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card issuer, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card issuer:

1. The GPAC reports a \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card issuer but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card issuer, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

1. The judicial candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 once, for the \$500 expenditure.
2. The judicial candidate reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and leaves section 6(c) blank. She identifies the newspaper in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.

3. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card issuer, the judicial candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card issuer was made:

1. The judicial candidate reports a \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #5: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Make Partial Payments of the Credit Card Bill in Different Reporting Periods

A general-purpose committee (GPAC) uses its credit card to buy \$5,000 in political advertising for a mailer from a printing company. The committee receives the statement from the credit card issuer and makes one or more partial payments from political contributions of \$2,000 in that same reporting period. The committee pays the remaining \$3,000 from political contributions to the credit card issuer in a different reporting period.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. The GPAC fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The GPAC fills out sections 6 through 9 once, for the \$5,000 expenditure.
2. The GPAC reports an amount charged of \$5,000 in section 6(a), the date the expenditure was made in section 6(b), and reports the date (or dates) during that reporting period on which the \$2,000 was made in section 6(c). They identify the printing company in section 7 as the payee of the expenditure and include their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.
3. The \$5,000 amount reported on “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payments to the credit card issuer, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC):

1. For the \$2,000 payment(s) made during the same period that the expenditure was made, the GPAC reports a \$2,000 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. For the \$3,000 payment made during a different reporting period, the GPAC reports a \$3,000 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
3. The \$2,000 and \$3,000 amounts reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3 for each reporting period.

EXAMPLES: REPORTING STAFF REIMBURSEMENT

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting staff reimbursements.

When a staff member makes political payment(s) out of his or her personal funds, how you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

Example #1: The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – Itemize the payment (if over the \$40 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. **Do not** disclose as the payee the name of your staff worker.

Example #2: The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period AND you reimburse the staff worker from political funds in the same reporting period – Use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **DO NOT** disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

Example #3: The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period BUT you reimburse the staff worker from political funds in a different reporting period – Use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.
